

Progress Scores: (Confidence interval in brackets)

Reading: 3.3 (1.0 to 5.5)

Writing: 2.5 (0.4 to 4.7)

Maths: 4.2 (2.1 to 6.2)

The average scaled score is the mean scaled score of all pupils awarded a scaled score. It gives us a measure of the typical performance of a pupil taking the tests. It is affected by the performance of pupils at all points in the range of scores. By contrast, the percentage of pupils achieving the expected standard focuses on the proportion of pupils above or below one particular score (100).

Average scaled score per pupil:

|                                   | Spinfield School 2022 | National Result 2022 | National Result 2019 |
|-----------------------------------|-----------------------|----------------------|----------------------|
| Reading                           | 109                   | 105                  | 104                  |
| Maths                             | 110                   | 104                  | 105                  |
| Grammar, punctuation and spelling | 108                   | 105                  | 106                  |

Key Stage 2 SATs Results 2022

Percentage of children achieving the expected standard:

| Subject                      | Spinfield School | Buckinghamshire | National |
|------------------------------|------------------|-----------------|----------|
| Reading                      | 83.9             | 78%             | 75       |
| Maths                        | 87               | 75              | 69       |
| Writing (Teacher Assessment) | 87               | 69              | 71       |
