

Parental Agreement for interactive live sessions, meetings and use of Google Classroom

Parental Consent for online learning exists as we are only using platforms and software that staff and pupils were using before any lockdown or school closure started and therefore they are covered under the Spinfield Privacy Policy.

I/We agree to support the provision of remote teaching and learning and the occasional use of live sessions by discussing and reinforcing the expectations identified in the school computing code of conduct for pupils

I/we understand that any child not adhering to the code of conduct may be muted / removed from the google classroom and not invited to any live sessions

I/we have read the pupil computing code of conduct and understand that abiding by it is essential for the safeguarding of all parties

I/we agree to the same principles outlined in the pupil computing code of conduct

I/we agree not to record pictures or sound of live sessions

I/we agree to ensure all members of the household are appropriately dressed during any live sessions/ meetings and do not use inappropriate language

I/we understand that all live sessions will be recorded by the teacher for safeguarding reasons

I/We agree that we will not share any meeting content, video content, or any detail of relating to any teacher or sessions on social media

I/We understand that if any recording or sharing of online, phone, video, sound files on social media occurs the police may become involved as this is not permitted.

I/we understand that any breach of this agreement and/ or the pupil computing code of conduct could result in the school seeking legal advice.
